

## **New: DPM Code Capture!**

**In addition to bBarcode and RFID IoT:**

**LF, HF, I-Code, MIFARE, NFC, RAIN UHF, etc.**

**We now also build a special DPM code imager into the TagTrans and can use it to read the punched DPM code.**

Serial numbers and part numbers, delivery notes, RFID smart labels and hard tags. No problem with our IoT combination reader TagTrans for barcode and RFID (LF, HF, I-Code, MIFARE, NFC, RAIN UHF). Availability check made easy! With software plugin to your ERP system.

That's how uncomplicated, fast and safe it is with our TagTrans.

**RFID and Barcode, and now also DPM code** in a reader, which connects via Bluetooth or via USB cable to any device that has Bluetooth "on board" or BT adapter, or USB interface, such as tablets, smartphones and smart terminals.

Barcode (2D, QR code) READ and RFID READ and WRITE DATA RFID cards, transponders and labels (LF, NFC HF, RAIN UHF)

**Everything from a single source: Software plug-in for your ERP software, TagTrans universal reader for barcode and RFID in one, barcode labels, RFID labels and RFID transponder, optimally matched to each other.**

**And: in one responsibility, support and service!**

Over 10 years of experience have gone into our **TagTrans®** product line , which has proven to be the ideal complement to mobile RFID, barcode and DPM code capture.

## **TagTrans®**

Barcode – 1D and 2D imager (QR code, etc.)

RFID: LF, HF, UHF - Read/Write Electronics

Bluetooth communication > 100m

IP67 enclosure and 

Very robust design, IP67, low weight, long-lasting battery, a wide variety of designs, all according to customer requirements.

### Why DATATRONIC?

We produce the TagTrans product line according to customer requirements. Powerful firmware allows you to adapt to customer applications, edit and format the collected data directly in TagTrans before sending it to your application.

DATATRONIC has been involved in AutoID and IoT technologies for more than 30 years.

We are happy to share our know-how and experience with you.

Please do not hesitate to contact us.

Mit freundlichen Grüßen  
With best regards
